Organization, set up, sales desk, dismantling of Christmas Sale), exhibitions (eg. Coordination of an exhibition, helping with promotion, receipt of art, installation), classes (eg. Coordinating classes with CASA or other sites, assisting with promotion, etc.) administering the financial operation of the club, planning and implementing meetings, organizing painting opportunities such as the murals at care centres, etc., etc.

Plein air painting sessions

We are presently working on several destinations for outdoor painting. When those are determined, we will send them to you.

At present, we have a casual agreement to meet at Nikka Yuko Garden on Thursday mornings between 10 AM and noon. There will be times when you find several other members there, sitting in shady places enjoying the quiet and peace and lovely subject matter. No matter where you look there is something captivating to draw or paint. The weather is a factor and it is unlikely you will find us there on a very hot day, like those we experienced in late June.

Please refer to their website for info on admissions. If you plan to attend throughout the summer and fall, we recommend you buy an annual pass.

Retreat 2021—Waterton Lakes National Park

We are returning to Rocky Ridge Country Lodge this year, after missing last year. We will book rooms for Friday, **September 17, to Sun September 19**. You may book for fewer nights if rooms are available. If you are interested in attending this weekend to get away and draw, paint, walk, photograph, nap, snack, write...relax...then don't delay...book with Josh at [1-888-717-7770](tel:1-888-717-7770) or [email rockyridge2008@gmail.com](mailto:rockyridge2008@gmail.com) Visit the site to see info on rooms. Some of us have already booked our rooms, so call soon to reserve your space.

There is no fee for this retreat... you book and pay for your room, then join us for the weekend. Suppers are potluck...closer to the date, we'll do a little meal planning. Breakfasts are included in the price of your room, and lunches are whatever you want to bring. Some will eat lunches in lodge and others will be out in the field or foothill or mountain...There is a BBQ available, and a hot tub.

Some participants will choose to work indoors, and others will paint/draw outside...you can join a group at a specific site if you want. After supper we gather in the living room for a show of what we did that day, and a gentle critique of that work, if you want.

There is also a reasonable amount of snacking, napping and mountain-gazing encouraged. If you plan to attend, let Sue know so we send you the group email later this summer: swilkie02@shaw.ca or 403.328.1373. At times there are people who want to share a room for economy. Let me know if you want to share.
