## Exhibition Guidelines

- Times for drop off and pick up of artwork to be announced later.
- PAINTINGS MUST BE SECURELY WIRED FOR HANGING
- The artwork must be an original work, not a reproduction.
- Your artwork MUST be clearly identified with: Title, Your Full Name, and the year it was done (if you want) on the back of painting. Just your signature on front of painting is not enough. On back of acrylics and oils, write along the wooden stretcher bars, or on the canvas board; on watercolors, framed drawings, or pastels write on the backing used to frame it. This will help collectors or buyers to identify your work. You may also attach your contact information/website.
- Members will pay a 10% Commission to the Lethbridge Artists Club AND a 20% commission to CASA on all sales, so price accordingly
- **If your painting is sold at any time, it must remain at CASA for the duration of the exhibition and it cannot be removed or replaced by another work.**
- **The Lethbridge Artists Club or CASA are not responsible for any loss or damage to artwork entered in this exhibition.**
